

# GRAND RIGHTS (PERFORMANCE) LICENCE APPLICATION FORM FOR PRIMARY SCHOOLS

Dear Frantic Customer

Thank you for purchasing one of our musical shows.

If you decide to perform your show to an audience, other than just the school itself, you must apply for a Grand Rights Licence. This licence covers the royalties payable to the writer of the work and protects your school or organisation from any infringement of performing rights.

A Grand Rights Licence is a legal requirement if your school or organisation performs any published production, whether or not you add to, or omit items from that production in any way, regardless of who makes up the audience, or whether or not you charge admission. (Please note: a Grand Rights Licence is an additional licence to any blanket performing rights licence arranged through your LEA or school/organisation for performance of individual musical items eg. assembly songs.)

Publishers may set their own charge for a Grand Rights Licence, and Frantic Productions charges a low fee (£25) in comparison to other publishers. The fee covers multiple performances in any one academic year, and all recording rights for recordings made by the purchasing school/organisation, and family/friends of performers. (Many other publishers charge a fee for each performance, and additional fees if the show is to be videoed or recorded in any other way.) Parties wishing to use a recording (or part of a recording) of the show, for purposes other than private viewing (eg. for wider broadcast) should contact Frantic Productions directly for permission on **01425-614665**.

Please complete and return the form below with your payment before your planned performances.
