

The Angel's Harp

'A very musical nativity' for 6-8 year olds

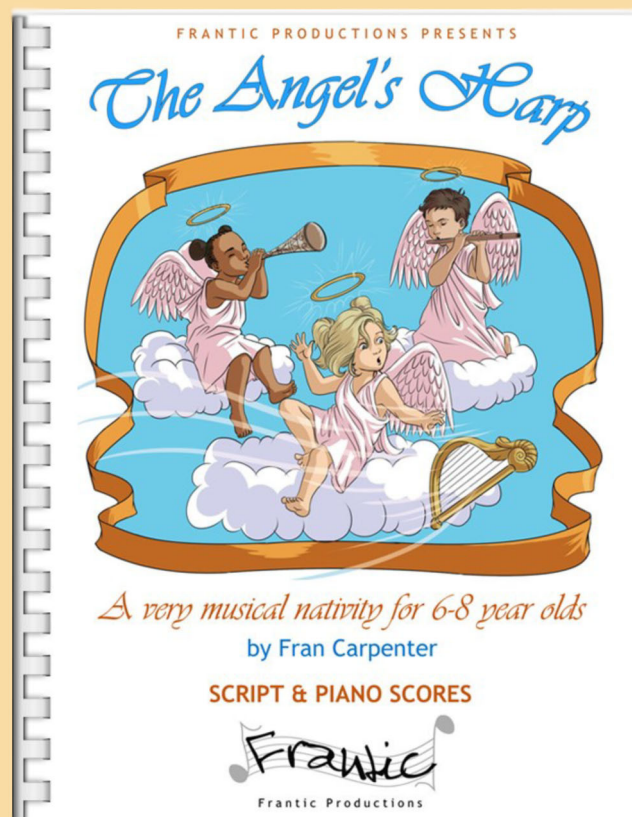

"This show was one of the most beautiful shows we have ever put on! The music was wonderful, in lots of different styles, and the story had everyone in tears - of both sadness and happiness at different times! Plenty of parts for everyone." Year 2 Teacher, South Wales

A most musical nativity for 6 - 8 year olds to perform (ideal for Years 2 & 3, although also perfect as a 'whole school production' involving older and younger children). Includes a plethora of catchy songs and perfectly crafted music for children's dance. Duration 40/45mins.

Adina the angel drops her harp from a cloud and flies down to Bethlehem to find it. In her search, she meets the nativity story characters - and what a musical bunch they turn out to be! The Innkeeper's Ceilidh Band, The Barnyard Tap Dance, The Shepherds' Conga and the Wise Men's Fanfare are just some of the musical treats in this rather unusual nativity production. And who will ever forget the gerbil and gecko dances and the hens' and cockerel's line dance? A great show case for your pupils' musical and dancing talents.

The production pack includes the script (with performance guidance notes), piano scores and two CDs, one with vocal tracks and one with plain backing performance tracks to sing along to.

Price £40 + £3.50 p&p. A performance licence is also required (see below for our licence offer). To hear mp3 song clips and read page samples visit www.franticproductions.co.uk.
